ACADEMIC ACHIEVEMENTS

B.S., Civil Engineering, Florida State University.
Cum Laude Graduate
Honors Program

M.S., Civil Engineering – Structural Track, University of Central Florida

PROFESSIONAL REGISTRATIONS/CERTIFICATIONS

Professional Engineer, Florida License No. 62476

Professional Engineer, Georgia License No. 35279

Professional Engineer, South Carolina License No. 29881

Florida Licensed Mold Assessor No. 6254328

Florida Building Code Administrative Core Accreditation

Certified Dryvit (Synthetic Stucco) Installer

Approved Dow Corning Sealants 3rd Party Warranty Inspector

AAMA Installation Masters – Certified Installer of Windows and Doors.

CPN International Certification for Radiation Safety and Use of Nuclear Gauges

OSHA Scaffolds Training Course

PROFESSIONAL MEMBERSHIPS

American Society of Civil Engineers (ASCE)– Associate Member

American Society of Testing and Materials (ASTM)–

ASTM Committee Member D07 Wood, Subcommittee D07.05.02

ASTM Committee Member C11 Gypsum and Related Building Materials and
Systems

ASTM Committee Member E06 Performance of Buildings
ASTM Committee Member E07 Non-Destructive Testing

International Concrete Repair Institute (ICRI) – Jacksonville Chapter – Former Board of Directors

PROFESIONAL DEVELOPMENT

ASCE Wind Loads for Buildings and Other Structures
ASCE Structural Renovation of Buildings
ASCE Structural Condition Assessments
American Concrete Institute (ACI) Advanced Concrete Design
American Concrete Institute (ACI) Engineering Mass Concrete Structures
American Concrete Institute (ACI) Strut and Tie Modeling
MACTEC Engineering Mold Awareness and Assessment Course
Law Engineering Tower Climbing and Fall Protection Proficiency
Simpson Strong Tie – Understanding Restraint Rod Systems
Simpson Strong Tie – Cracking Concrete Anchor Codes
ZweigWhite Energy Analysis that Fits Your Building Project
Chance Helical Piles and Tiebacks

SPEAKING ENGAGEMENTS

Guest Lecturer, Florida Coastal School of Law, Construction Law Class, "Construction Defects" (2009)

Guest Lecturer, Florida Coastal School of Law, Construction Law Class, "Sticks & Bricks" (2012)

Lecturer, Taylor Morrison Homes, *Avoiding Problems with Stucco Application* (2012)

Lecturer, Taylor Morrison Homes, *Balcony Waterproofing* (2013)

Lecturer, Jacksonville Bar Association – Construction Law Committee, *Building Envelope Evaluation* (2013)

Guest Lecturer, Florida Coastal School of Law, Construction Law Class, "Sticks & Bricks" (2014)

Lecturer, Taylor Morrison Homes, *Stucco Installation* (2016)

Guest Lecturer, Florida Coastal School of Law, Construction Law Class, "Construction Process" (2016)

CAREER SUMMARY

- 1998-1999: Construction Crew Foreman, *Champion Construction*, Roswell, Georgia
Responsibilities: Supervisor of eight-person crew. Performed rehabilitation trade work including the erection of light steel framing, performance of wood carpentry for structural and finish elements, installation of ceramic tile, interior drywall, and exterior siding and stucco.
- 1999-2000: Staff Civil Engineer, Surveyor, AutoCad Technician, *Jim Stidham and Associates*, Tallahassee, Florida.
Responsibilities: Conducted surveys using a total station and optical level for road, site development, and building sites. Prepared civil, site, and structural construction drawings.
- 2001-2005: Project Structural Engineer, *MACTEC Engineering and Consulting*, (formerly *Law Engineering, Inc.*), Jacksonville, Florida.
Responsibilities: Performing a full range of structural engineering and building envelope design, retrofit and remediation projects including visual observation, testing, numerical analysis, and reporting. Performing analysis of distressed residential and commercial buildings for multiple insurance companies, including State Farm and Prudential to determine the source and extent of the distress and to provide retrofit design. Performing the duties of special agent to the threshold inspector on several Northeast Florida structures, including: The Strand Condominiums, Villa Riva Condominiums, Sawgrass Marriott Convention Center, Hibernia Baptist

Church, Arlington Elementary School, Argyle Forrest Elementary School and the 103rd Street Wal-Mart. Performing due-diligence property condition surveys of more than 50 commercial buildings including apartment complexes, convention centers, banks, strip shopping centers, malls, hotels, office parks, condominiums, and industrial warehouses. Clients included Trammel Crowe, Regency Centers, The Flagler Group, Mercantile Bank, and Marriott Hotels. Performing structural analysis of and structural retrofit design for over 100 cell phone towers and associated equipment structures. Performing special in-situ load testing and strain gage material testing on projects such as river lock gates, Firestone tire presses, CSX railroad cross arms, Shands Hospital Proton Therapy devices, and a historic lighthouse.

2005-2010: Chief Engineer & Partner, Construction Solutions, Inc., Jacksonville, Florida.

Responsibilities: Engineering manager and technical director for all projects. Performing building envelope evaluations and structural distress analysis along with the subsequent structural repair and waterproofing design for well over 100 buildings in North and Central Florida including high-rise condominiums, hospitals, office buildings, public libraries and commercial warehouses. Performing project management and owner representative services for most of the repair and renovation projects designed. Project budgets range from \$10,000 to \$10M. Director of testing for water infiltration testing and proof load structural testing. Provision of expert witness services in over 100 litigation matters.

2010-Present: President, Alta Engineering Company, Jacksonville, Florida.

Responsibilities: Director. Consultant regarding building and component distress. Evaluation, Repair Design and Management Projects have included the Jacksonville Main Library, the Federal Courthouse - Jacksonville, the Soliare Condominium Tower - Orlando, St Paul's Episcopal Church - Jacksonville Beach, Springhill Suites Hotel - Tallahassee, Villa Del Sol Apartments - Kissimmee, Ocean Park Condominiums - Jacksonville Beach, Ocean Village Condominiums - Atlantic Beach, Seaside Retreat Condominiums - Amelia Island, Frederica Golf Club - St. Simons Island, Coral Sands Condominiums - Fernandina Beach, Seaside at Anastasia - St. Augustine, and the Reserve at Point Meadows Condominiums - Jacksonville.
